Greetings Folks!

Well this is it. We have reached our last regular fruit delivery of the 2009/2010 fruit season. We will begin again either in late June or early July when the cherries are ripe and ready

We are offering just the Fancy grade apples this time around since we are getting later in the season. **If** you would like any #2 grade apples please let me know in the text of your email and I'll make sure to get you some.

Thank you for your continued support and participation.

As usual all fruit is available in 5 pound units and there are no maximums. For orders larger than 5 pounds (10, 15, 20, 25, etc) we will pack in a single box. So if you order say 20 pounds of Fuji apples and were planning to split with a friend let me know so we package correctly. We will do a better job to label the varieties this time for everyone.

Please let us know if you have any questions and yes bring your old clean boxes for us!

ORDERS ARE DUE IN BY Friday February 26, 2010
